Julian

JULIAN

Julian is an historic gold mining town located approximately an hour east of San Diego. It is the premier mountain retreat in the county and is unique in that it has four seasons. Spring brings the blossoming of many flowers including daffodils, summer is perfect for hiking and star gazing, fall is famous for our apples and fall colors, and winter brings snowfalls and bright, crisp, “Christmassy” days.

Although famous for apples and our superb apple pie one can enjoy all year round, Julian has become the center for visitors who wish to stay in the mountains but take day trips to the nearby casinos, the Anza Borrego Desert State Park and the coast. It has always been the B&B capital of Southern California, known for its romantic atmosphere, but is now fast becoming a great destination for families, hikers, weddings and corporate retreats.

Specialty shops line our streets, our attractions are unique, ranging from wineries to wolves. From the old time melodrama to the Grape Stomp Festa, Julian events are great for couples, families and groups.

Climate & Weather

At 4,235 feet, Julian’s high elevation provides clean air, blue skies and four distinct seasons. Spring is generally mild and wildflowers decorate the backcountry in and around Julian while a profusion of daffodils is evident throughout the town site.

Average summer temperatures fall in the 80s with occasional summer rains in July and August. The first cold spell of fall prompts a blanket of color as the trees prepare for a winter of gentle snowfalls. Sledding and snowball fun in the surrounding mountains add to the season’s activities.

Utilities

Cuyamaca Water District
(760) 765-1202 / P.O. Box 609, Julian 92036

Julian Community Services District (Water)
(760) 765-0483 / 2656 Farmer Road, Julian 92036

Median Household Income

2021

Adjusted for Inflation (2010 \$) \$54,069

Not adjusted for inflation (current 2020 \$) \$66,948

DATA SOURCES AND IMPORTANT ADVISORY:

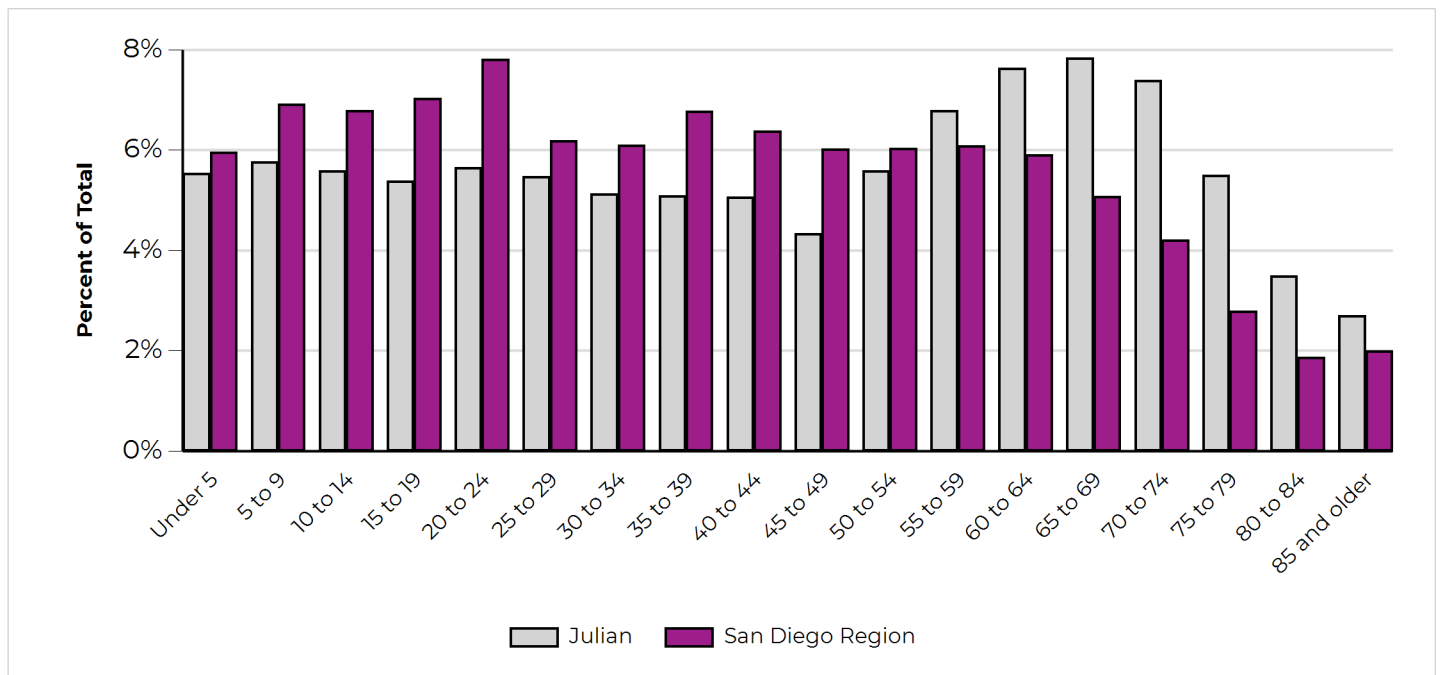

SANDAG Population and Housing Estimates are derived from a composite of data sources, including the California Department of Finance (DOF) E-5 Population and Housing Estimates for Cities, Counties, and the State, 2020-2022; the 2021 SANDAG Land Use and Housing Units inventory; the Census American Community Survey (ACS) Detailed tables; and the vintage 2020 DOF P-3 Race/Ethnicity and Sex by Age for California and Counties.

Caution should be taken when using Population and Housing Estimates, especially for small areas of geography. Sampling error inherent with the data may materially impact the reliability of the estimates, resulting in a substantial margin of error. Additionally, conclusions should not necessarily be drawn about small differences between two or more estimates because they may not reflect statistically significant differences.

Population by Age and Sex

	Total	Male	Female	Percent Female
Total Population	3,433	1,680	1,753	51%
Under 5	190	100	90	47%
