## TELEPHONE DIRECTORY INFORMATION

### **HOW CITY DEPARTMENTS CAN ACCESS TELEPHONE DIRECTORIES ON-LINE**

Employees who are connected to the City's network can access the telephone directories on-line by using the CityFone intranet site. In the address field of your web browser, simply type **cityfone** (do not type http:// or .com) and press [Enter]. CityFone can also be reached from the InsideLA intranet site. The CityFone start page has file tabs representing each of the various directories: Employee, Department, Service, etc. Click the file tab for the directory you want. All the available options for the selected directory will be listed underneath the file tab. Click the option you are interested in. For employees with a secure-ID token, the complete CityFone intranet site can be reached from the Internet at **insidela.ci.la.ca.us** using your regular Internet service provider. The directories can be searched, printed and downloaded in several useful ways.

### **HOW CITY DEPARTMENTS CAN OBTAIN PRINTED DIRECTORIES FROM GSD**

Your department may order printed copies of the directories from the Department of General Services, Central Duplicating. An authorized employee from your department can call (213) 485-5465 or submit a GSD Form 45. In addition, requests can now be submitted through GSD's intranet site. Contact Tracey Vu at (213) 485-8008 for details. Your department will be billed for each directory printed. Central Duplicating can quote you the price per directory. The directories can be printed two ways: with a tape binding (Employee Directory only) or 3-hole punch to be stored in a 2 1/2 inch three ring binder. The department is responsible for furnishing their own binders.

### **HOW CITY DEPARTMENTS CAN OBTAIN PRINTED DIRECTORIES FROM CITYFONE**

The Employee, Department and Service file tabs on the CityFone intranet site each have a "download" option. The PDF format files found there are print-ready. In fact, they are the same files that are sent to GSD every month for printing. We suggest duplex printing as the directories contain several hundred pages!

### **HOW CITY DEPARTMENTS CAN UPDATE THEIR DIRECTORY INFORMATION**

Every City department is responsible for updating their own portion of the telephone directories. For questions concerning updating the Department and Services Directories, call Nancy Wilson at (213) 922-7740.

### **HOW THE PUBLIC CAN ACCESS TELEPHONE DIRECTORIES ON-LINE**

An abbreviated version of CityFone is available to the public on the City's Internet site at **www.lacity.org**. This site has features to search and print the Department Directory.

### **HOW THE PUBLIC CAN OBTAIN DIRECTORIES FROM ITA**

The public can obtain printed directories by contacting ITA at (213) 978-3338. A fee is charged for printing and postage.

### **HOW THE PUBLIC CAN OBTAIN PRINTED DIRECTORIES FROM CITYFONE**

The CityFone Internet site has a "download" option. A print-ready, PDF format file can be found there. We suggest duplex printing as the directories contain several hundred pages!

### **QUESTIONS AND COMMENTS**

The Information Technology Agency is committed to providing the City departments and the public with directory information in a form that best meets their needs. Questions and comments can be directed to Nancy Wilson at (213) 922-7740.
