

# TAKE A PICTURE... GET THE INFO

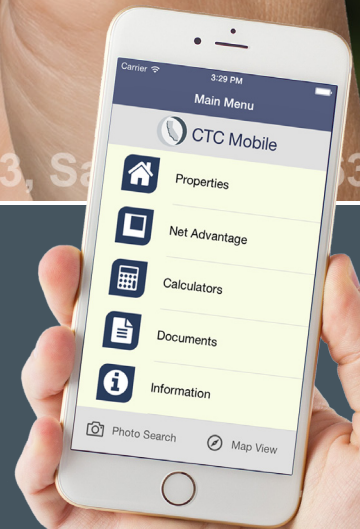

CTC Mobile 2, our new native app for iPhone and iPad, has a lot of great new features. Among these, our users love the ability to get property information, characteristics, sales data, comps and more just by taking a picture of the property!

BR, 4BA, 2399Sqft, Built in 2011, Last Transfer 2/13/2013, Sale Price \$3,100,000

Using the app is FREE - just log in with your normal California Title/Title Advantage login. If you have an iPhone, go to the Apple App store, and search for "California Title Mobile."

Make sure to look for the California Title Company logo.

**Enjoy this feature and others by downloading the app today!**

For more information or help with your account, contact your sales rep.
