

# MORTGAGE BALANCE CALCULATOR

Included in our Net Advantage Net Sheet and **NOW AVAILABLE** as a stand alone calculator. This is useful when talking about payoffs and home affordability. Try it today!

*Available online and  
in the CTC Mobile app!*

## **Mortgage Balance Calculator**

Our mortgage balance calculator will quickly figure the balance on your home loans.

Just enter the original amount and the time that the loan was started.

We'll bring in the interest rate from that time and give a good estimate of the remaining balance!

**Just click on “calculators” from  
the main menu to get started!**
