

NOW is the time to talk to your buyers

BUYER'S NET SHEETS

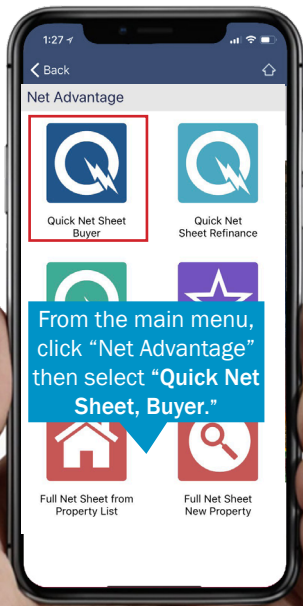

Buyer: "How much will this home cost after all the fees?"

Our Buyer's Net Sheet is a list of all the costs associated with purchasing a home.

How Does it Work?

Enter the sales price, loan type, down payment, loan amount, and loan interest rate to generate the estimated closing costs.

The finished report shows additional costs, property taxes, HOA fees, escrow and title fees, County Recording Fee, and much more to generate a monthly payment estimate.

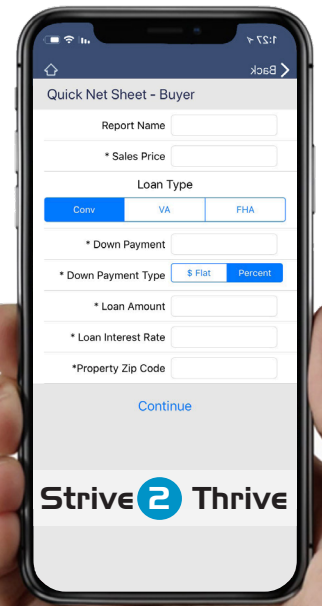

Show your buyers the numbers they're looking for in seconds from the palm of your hand! Your reports in the **CTC Mobile app** will automatically sync with the web version, so you won't lose any work!

From your iPhone or Android, device search for "CTC Mobile."

Let us help you get the conversation started. Contact your California Title representative today!
