

# 2011 Decline-in-Value Review Application

**IMPORTANT** This form **MUST** be filed between **June 1 and November 30, 2011**. Applications are valid if postmarked by November 30, 2011. Applications received outside of those dates will not be processed. **Your property assessment may have already been reduced by the Assessor.** Before submitting this form, please check your assessed value on the Assessor's website. If the value has been reduced to your satisfaction, there is no need to complete this form. You may check the status of your decline in value reassessment at any time online at [assessor.lacounty.gov/decline](http://assessor.lacounty.gov/decline). For assistance, please call 213.974.3211 or 1.888.807.2111.

The California Revenue and Taxation Code allows for a temporary reduction in assessed value when property suffers a "decline-in-value." A decline-in-value occurs when the market value of your property is less than the assessed value as of January 1, 2011. The best information you can provide that supports your opinion of the market value of your property is sales of comparable properties. You should try to find **two comparable sales** that sold as close to **January 1, 2011** as possible, but no later than **March 31, 2011**. While the submission of sales is helpful in determining the market value of your property, applications submitted without comparable sales will be accepted and processed.
