

# New! Short URL Sharing!

Create a shortened share link to **Property Profiles**, **Market Snapshot** reports, and **Net Sheets** in Net Advantage for social media or email.

## WHY USE THIS FEATURE?

- Links to an **interactive** report in real-time versus a static PDF.
- See how many times each **link is viewed**
- See the **exact date/time** the link was last viewed
- Shorter links are preferred on social media

Track how many times your links are viewed!
