Smart Search

Smart Search uses Google's search algorithm to auto-complete the search for you. Start typing an address and after a few characters, it will suggest matches based on a number of key factors.

Smart Search eliminates typos, address discrepancies, and makes the search really fast.

Where Can I find Smart Search?

Click the "properties" icon from the main menu. Then click "new property," followed by "smart search" in the bottom right corner.

From here, enter the property information and click search! **You'll have the information you need in a flash!**
