

VIDEO TRAINING & TUTORIALS

We're on YouTube!

Our **NEW** YouTube channel is another way we are working hard to help you thrive!

Do you need help building farms, **targeting buyers and sellers**, creating Net Sheets, locating homeowners who are likely to sell their homes, or just need a quick refresh? We'll be posting resources and helpful videos to guide you through all we have to offer.

What Kind of Videos Are There?

We plan to feature videos on our farming tools, updates to our website and mobile app, creating property profiles, recorded Zoom classes and webinars, and **much more!** More videos are to come. Don't forget to subscribe today!

How Can I Access the Cal Title YouTube Channel?
