

PROTECTING YOUR CLIENTS' PRIVACY

CALIFORNIA TITLE IS COMMITTED TO PROTECTING YOUR CLIENTS' NPPI INFORMATION

WHAT DOES THIS MEAN?

California Title Company is proud to announce that we are one of the first underwritten title companies in the nation to receive an audited SSAE No. 16 SOC 1 type 2 report and the SSAE No. 16 SOC 2 type 2 report with **NO EXCEPTIONS** to the reports for **FOUR CONSECUTIVE YEARS!**

This 250 page report shows California Title's compliance with all of ALTA's 'Best Practices' and exceeds the industry standard! This report demonstrates the great lengths to which California Title goes to make sure all of the personal information it receives from our customers is protected from those people wanting to do harm. In a day where identity theft is so prevalent, California Title is on the cutting edge of security! This will also make your closing go more smoothly.

ALTA's Best Practices require compliance in the following categories known as the 7 PILLARS:

1. Licenses
2. Escrow Trust Accounting
3. Information Security Management
4. Recording & Pricing Procedures
5. Policy Premium Delivery
6. Insurance
7. Customer Complaint Process

7 Best Practices = SECURITY

Each pillar is involved and deep. California Title Company has invested significant time and money to ensure all of the companies in our Family of Companies are **Consumer Financial Protection Bureau (CFPB) compliant!**

We are proud to offer the highest standard of quality care to our customers and provide the peace of mind home buyers desire and deserve!
