## The **STRENGTH** of Our Ownership

California Title is owned and partnered with Home Services of America, a Berkshire Hathaway Affiliate and two of the largest title companies in the United States.

## The **POWER** of Our Underwriters

Title insurance policies issued through the office of California Title Company are underwritten by five of the strongest underwriters in the title insurance industry.

As a result, policies issued through California Title Company on behalf of these underwriters are based on the most secure financial backing available in the industry.

As a title brokerage, we have the flexibility to get the best prices and policies to benefit buyers, sellers and borrowers. We also do the work locally and provide regional knowledge and service while issuing policies from our five underwriters. We do all of this without passing additional costs on to your clients.
